Meet Aveya

Patient Feature

Seven year old, Aveya, was so excited to show off her new prosthetic arm Wednesday! She picked out the design herself, which features sloths, her favorite animal.

Good Luck Christian!

Every year, patients from each Shriners Children's location are chosen to represent the healthcare system at the annual Shriners Children's Open PGA TOUR event in Las Vegas. We are proud to announce Christian as our standard bearer for the 2022 event, which will take place October 3-9.

This once-in-a-lifetime opportunity will allow Christian to walk inside the ropes along with pro golfers, while carrying their official scores during the tournament. He will also meet patients and Shriners from across the country and develop friendships that will last a lifetime!
