Ohio patient, nurse and nobles shine at Cincinnati Reds game

SCO was well represented at the April 14 Reds game when patient ambassador Owen took the mound! He threw the ceremonial first pitch to Lindsay, who was his primary nurse when he first arrived at Shriners as a baby.

The Fezzes were well represented, too! Our Board of Governors Chairman Dennis Hewett (top right) and board members Keith Dreier (top left) and Al Tucker were on the field to watch the pitch!

Prior to the game, Owen attended batting practice and met numerous players. Not only did they autograph his baseball, they asked Owen to sign his Shriners Children's All-Star card!

After Owen returned to his seat, he met R. Scott (left) who sustained a burn injury when he was 5 years old and was treated at our Cincinnati location in 1979. It was a special and emotional meeting for both of them!

Lastly, thank you to Team SCO for showing up loud and proud for Lindsay and Owen!

Nobles support successful fundraising campaign featuring Ohio patients

We're proud to announce the results of a national fundraising campaign featuring Raquel and Jameel! Their stories were shared through five private emails that reached over one million recipients over a two-week period.

It raised $42,653! A special thank you to everyone who was inspired to give after reading their stories. We also want to thank Ohio's philanthropy team, Bethany, Kari, and Cambry, for their work to elevate our patients at the national level.

Fezzy LEGO® mosaic finds home inside hospital!

Eighteen-year-old Allyssa and her Road Runners were among the first to see Fezzy on the wall. The mosaic traveled to more than 9 community events in the Dayton region where hundreds of kids and families could build their small square to add to the larger mural.

Parade car sets now shipping!

Thank you to everyone who ordered a parade car kit from our corporate partners, Bridalsted! We've been overwhelmed by the support from Nobles across the country and world! Remember, a portion of each sale is donated back to our hospital. **Click here to purchase your build kit today!**

Shriners Children's Ohio

Celebration Weekend

August 25–26, 2023
Dayton, Ohio

CONNECTING SHRINERS, PATIENTS, FAMILIES AND STAFF

New Members, Nobles, Ladies, Staff and Guests, please plan to join us.

Tickets are limited! Click HERE to view the exciting activities planned for that weekend and RSVP today!

Donor Spotlight:
Mizpah Night of Hope & Inspiration

There wasn't a dry eye in the audience during Mizpah's Night of Hope & Inspiration in Fort Wayne, Indiana! Current Ohio burn patient 4-year-old Hazel and former patient Adrianna were among the distinguished guests.

Hazel's parents talked about the care their daughter received and how that inspired them to launch "Hazel's Helping Hands," an annual toy drive with help from Mizpah nobles and the community.

Meet Ohio's superheroes!
Patients become caped crusaders for National Superhero Day!

Willow and Winter (aka the Shriners Wonder Twins) can melt even the coldest hearts! The 5-month-old girls received their capes after getting fitted with therapy helmets.

Some adorable kids shed their "secret" identities as Shriners Children's Ohio patients and unveiled their super strength, attitude and perseverance! Check out the photos of patients posing in their Shriners Children's superhero cape!

A birthday fit for a superhero! Rosalie celebrated her 6th birthday and superhero day with a cream and cape.

Ezhylann is a self-mannered superhero! The 5-year-old remembered all his please and thank-your during and after his appointment.

Sabrina-wan-kid Riley's (above) super power might

be kindness! He wore the cape for the photo but explained he actually planned to give it to his younger brother back home.

A superhero with style! Four-year-old Kameryn (right) insisted her skirt and sparkly shoes be included in the photo!

Don't forget to check out the resource hub!

We've collected the best hospital and patient videos, logos, social media graphics, fundraising information and education materials in one easy-to-access hub. Simply scan the QR code or click the link below to access the hub. We'll continue to add more resources so check back often!
