From the Potentate

On the following page is the selection of Carl E. Pfeifer from Mansfield Ohio as "Shriner of the Month". I have met Carl on several occasions while attending events of the Mansfield Shrine Club. My grandmother Neff was a Pfeifer from Tuscarawas County, but I don't recall ever discussing this with Carl. When learning of Carl's full Masonic background and involvement with Al Koran I started to think of others that have shared this venture... shared this dedication. I hope by honoring Carl we

honor all those like him that came before us. As we marvel at their lives and commitments that they have made while raising their families and following their careers I hope we all gain a greater appreciation for our Brotherhood. I am soon to be 66 years old... Carl Pfeifer petitioned to be a Mason five days before I was born. I want to Thank and congratulate all those that have followed such a path.

Nobles we have some work and hopefully some fun ahead of us in the coming months. A list of upcoming events – in three month segments – including some of the scheduled parades can be found in this and subsequent issues of the newsletter. Please volunteer where you can ... many hands help even the load.

Please get your Onion Sales in high gear Past Potentates Al Paynter and Ton Klecan are eager waiting your support. Chief Rabban, Illustrious Sir Wayne Angstrom has begun the sale of ads in the Promotional Book. Please help us raise funds to support our Shrine Center and Philanthropy.

Yours in Faith, Roger Neff

Even good men can be better...

Shriner of the Month

Carl E. Pfeifer

Carl E. Pfeifer was presented his 65 year pin and certificate on January 6, 2016 by Worshipful Master Tom Wappner of Mansfield Lodge #35 F&AM. Pfeifer, a 33 Degree Mason, began his Masonic journey as a member of Baku Chapter Order of DeMolay where he attained the office of Master Councilor. Carl petitioned the Mansfield Lodge for membership on June 3, 1950 ... his 21st Birthday.

On February 5th 2016 at the regular meeting of Baku Grotto, Carl was presented his 65 year Membership Certificate. Carl served Baku Grotto for 28 years as Chaplain. He also served as Chaplain of the Ohio Grotto Assoc. and as Chaplain of the Grotto of North America.

Carl became a Noble of Al Koran in 1960. He served at Potentate's Aide to Ill. Sir William Dearth ('74) and Ill. Sir C.A. Neil Gannon ('73). Carl is last remaining "Charter" member of Al Koran Mariners chartered in 1964.

Carl has been selected not only for his lifetime of service, but also because he represents so many fine Shrine Masons who came before us. They found the time in their lives to give of themselves to others in so many ways. Who among us will continue the legacy of Shrine Masons like Carl Pfeifer, Marty Kovalik, Jack Ahlstrom, JT Wolfenden and so many more.

Thank You Nobles all.

NOTICE

Nobles, at the Regularly Scheduled April Meeting, the Nobles of Al Koran will take up and vote on an "amendment" to our Lease Agreement with Club Motors Estates. The subject of the amendment is in Article XV – section 15.01 Remodeling/Modification of Premises. "For this value received to Tenant, tenant agrees to sell all currently held liquor licenses to Landlord for a sum of \$10.00 at any time during the lease term (60 months) or upon the termination of this lease prior to May 15, 2020 provided that the transfer meets the requirements of the appropriate Liquor Control authorities for the State of Ohio and has the approval of the Board of Directors of Al Koran."

Mariner's Log – Bob Stanley, M.S.A.

Well, April is here. The hours of daylight are longer. Our lake is ice free. The spring flowers are beginning to bloom. The summer song birds have flown back to the lakeside. Our winter bird Mariners are arriving back from Florida to their homes on the South Shore of Lake Erie. Our boats are being prepared for their 2016 summer voyages. Isn't spring beautiful!

On February 11, 2016, an angel gained her wings and is now with the Grand Architect of the Universe. P/C John Baker's bride and love, Nancy, left us for her final voyage to the Port of Heaven. Our thoughts and prayers go out to John and his family.

When April arrives, it is our onion selling season. Now is the time to think "How many bags of those tasty little devils do I want"? There is still time to order your Vidalia onions from P/C John Baker, P/C Tiger Malm, Frank Bercheck or our Onion Queen Barb Kuchta, who is from Orwell, Ohio.

Our Sunshine Chairman Emil Arvidson has reported that sick bay is empty. That is great news for any time of the year.

The April meeting of Al Koran Shrine will be held on Monday, April 18, at our Shrine Center at 1900 hours. As always, a dinner by reservation will be served at 1730 hours.

The Mariners April meeting will be held at Edgewater Yacht Club on Thursday, April 14. We meet for grog and chow at 1800 hours and the gavel is sounded to open the meeting at 1930 hours.

For information concerning membership or activities of the Al Koran Mariners, contact Commodore Bob Schiebli at 440-257-5672.

Remember, your place as a Shriner has made you the Guardian Angel of those children who need our help.

From The Recorder

The annual Shrine Recorders Seminar held in Tampa, Florida, February 28 thru March 1 was most enjoyable and enlightening. Peg and I thank the membership for allowing us to attend. There were 115 Shrine Recorders in attendance and 42 were first year members. Many of our 195 Shrine Recorders are experiencing the same problems with dues as we here at Al Koran. Many dues cards have been returned to our office as not deliverable and if you have paid your dues and not received your card please call the office and we will send it out if it has been returned. The Web-Fez program is downloaded every few weeks and is mostly up to date, dues cards take about 4 weeks from time of posting to the download to printing to mailing takes place so please be patient, if you need a temporary card please call me and I will print one and mail to you.

Nobles...Tampa will be sending out second 2016 dues notices sometime near the middle of March to 260 who have not paid 2016 dues, if you are one of those please put this at the top of the to do pile so you will not be suspended. Please watch your mail; they are being mailed bulk and IS NOT A PLEA FOR DONATIONS. If you are one who has been suspended re-instatement is easy, just call the office for information and details. Remember dues are still \$137. If you know a member from either list please speak to him about these dues, if there is a health issue or other circumstances preventing you from paying your dues please call the office, I will work with each one of you to correct this issue and continue your membership.

In closing Nobles, your Divan has planned many activities for 2016 and I encourage you to be part of these activities, many are listed in this issue and future issues as well. Please MAKE THE EFFORT to support your Shrine Center and activities, BE PROUD you are a MASON and MEMBER OF AL KORAN!!!!

NEWS

**Celebrating our
Good news!**

*Take a look at some of the good news we have heard
from patients and visitors about our hospital.*

Comments from Facebook

"...when I was 6 months old I was burned by hot grease that fell off of the counter in a fry daddy and suffered a lot of third degree burns...now as an adult I am living a great life and just started a career in the IT field. I do not believe that I would be where I am today without [their] help."

"...our hearts are healed through all of the care, compassion and commitment to this magical journey. Words could never encompass what everyone has and have continued to do for our Brooklyn. The kind ones in the restaurant who nourish our needs and spirits. The bright and cheerful flower on a nurses hair. You have no idea how this pretty little addition brings a needed extra in our lives. How when I bring her up to the nurses station we are greeted by what feels like extended family. The kindness of having a little cut out, colored figure on a meal tray. I have tears just writing this. I know that I could never have come this far without all of you..."

"Thank u Shriners for taking care of a very special little boy that is so loved by many people. We are so thankful."

Dear Mr. Shugarman,

Hello my name is **Melissa Franklin** and I was a patient at the shriners in Ohio, back in 2001 I was burned badly and the hospital and the staff were amazing! It's been years and I haven't been back to shriners since all my treatment was over. I always wanted to go back and volunteer there but I am now living in Virginia. I just wanted to let you all know I appreciate what y'all do. Your burn unit saved my life, I wouldn't be here today years and years later if it was not for all the help and care you guys provide. I want all burn victims to know that there is life after, I went on to working and meeting a great person and having children now I am 27 and still have visible scars but those don't matter. So to all of the doctors, nurses, volunteers, every single person working with or associated with shriners I want to say thank you again, you all are a blessing.

Gage Never Strikes Out

Ten year old Gage loves baseball and the Pittsburgh Pirates. He has been playing baseball since he was 4 and has even met his favorite Pirate, Neil Walker. You would not know it by his beaming smile and upbeat personality, but he has faced many obstacles. Gage was born with Tibial Hemimelia, which means that he was missing the shin bone in his right leg. Doctors immediately referred him to Shriners Hospitals for Children – Erie where it was quickly determined that his leg would need to be amputated just above the knee. Just after Gage's 1st birthday he received his first prosthetic leg and began to walk at seventeen months.

But that was just the beginning. At age 3, Gage was once again hospitalized, this time for an almost fatal case of bacterial meningitis. Gage underwent spinal and brain surgery to relieve pressure in his brain due to scar tissue formation. At the time, his neurosurgeon said it was a miracle that he survived and that he did so with no permanent damage.

Although Gage loves playing baseball, it has not always been easy for him. He has had to prove himself over and over again. Recently he was told that he could not move up a level in his pony baseball league, not because he wasn't good enough but because he had a difficult time during his evaluation. He wasn't as graceful as the other players or quite as fast due to his prosthetic leg, but he was more than capable. This devastated both Gage and his parents. But through all this, Gage has never given up. In fact, his trials have only made him stronger. Gage recently attended the Wounded Warrior Amputee Softball Team Kids Camp. At this camp he worked alongside other children with amputations and/or missing limbs. During this week-long camp, Gage learned not only the fundamentals of the game, but also there are many other kids just like him and that no matter what challenges he has in his life, he should never give up... 'Life Without A Limb Is Limitless.'

In Gage's ten years of life, he has endured so much more than many do in a lifetime. But Gage's mom, Kelli says that "everything that we have been through has made us who we are and has made our family stronger and closer." Gage is currently ten years old and is an active and very happy fourth grader.
