From the Potentate

The Imperial Session has come and gone with very little directly affecting the Nobles of Al Koran. Several hundred years ago in New England a phrase was coined, "No Man's life, liberty or property is safe while the legislative body is in session". Nobles you are safe now. I have review of amendments and resolutions acted upon here in the newsletter.

I wish to thank Howard Walker, Ronn Murphy and Mike Davison for working with me and quickly resolving the need for a grill for Shriners and other Masonic groups. Within days of the announcement of the need we researched several large commercial type grills and move to purchase one. The grill is assembled will have been used for the Al Koran Picnic before this newsletter reaches you. A SPECIAL THANKS to Howard Walker for contributing the money to purchase the new grill. Thank Howard when you get a chance.

Promotional Book – August is the last month to sell advertisements and help support Al Koran at the same time. The book will be closed and printed by the end of the month. A special thanks to Ill Sir Wayne for his efforts on the book and his continued generosity of printing the book for us.

There are more parades to go yet this summer... please join us. We do have a really good time. Logan Wells – a Tribute to Patsy Cline is set for Sunday, September 11... please call now for your dinner show reservation.

The Massillon Ox Roast is Saturday, August 6th. Go hungry ... it is the best country style roast beef, potato, fresh tomatoes and sweet corn dinner you can find. Worth much more than the \$22 per plate ticket. Camels milk will flow "Shriner Style".

Last but not least ... SAVE THE DATE – Saturday, October 15th is the Potentates Ball. There will be a nice dinner and a good band entertaining us. Hope to see all there.

Remember - Kids win ... when Shriners play.

Yours in Faith,
Roger Neff

Imperial Session “Wrap-up”...

With the loss of Imperial Sir Wayne Lachut there were two positions to fill in the Imperial Line. Richard Burke from Atlanta was elected Captain of the Guard and Kevin Costello of Cyprus Shriners, New York was elected Imperial Outer Guard. Delegates also voted to do away with the position of Deputy Imperial Potentate.

Many of the Amendments and resolutions had to do with jurisdictions or joining/leaving a regional Association.

Some of the other issues were as follows:

1) A change in the mileage allowance given to representative delegates attending the Imperial to put in line with US Govt. IRS guidelines – PASSED

5) A change in voting procedure for election of members to a paper ballot with a simple majority needed for membership – FAILED

10) Would allow Shriners International to sell advertising in Shriner magazine – PASSED

11) Shriners International would be allowed to furnish a list of Temple members for the purpose of selling a directory for the Temples. There was an opt out feature – PASSED

12) Shriners International would be allowed to use a list of members to solicit gifts and contributions and bequests to Shriners International – PASSED

13) Shriners International would be permitted to use a list of members to promote the sale of memorabilia or commemorative items of an Imperial Potentate with proceeds to benefit Shriners International – PASSED

21) A Measure that would allow individuals in a Civic Parade – Not Nobles – to ride or even drive standard motor vehicles for which they are legally licensed to drive in their State – or drive a vehicle that requires a special license if the driver meets the appropriate licensing and insurance requirements – PASSED

Hunters

On June 12th the Hunters ran the food pavilion for the Annual BOP Car Show. (Buick Oldsmobile Pontiac). A big thanks goes to our Potentate Roger Neff. He can up from the Mansfield Ceremonial and transported all the equipment food and etc. from the Ballroom to the Pavilion Sunday morning and then returned back to Mansfield for the parade. There were so many that stepped in to help. Bill Stein and Rey Magpoc spent from 10 AM till afternoon on a grill that only half worked and the half that did, had a center flame six inches above the grid. Roger Calkins and Neil Kuhn started coffee while Wayne Angstrom PP and wife Sandy got the donuts for morning eats and then worked in the kitchen the rest of the day. Other workers that were on their feet for hours were Val Magpoc, Judy and Elmer Rogers, Rita and Phil Welce PP, and two of Wayne's Grandsons. As you can see these events take more then one or two people to pull it off. THANKS a lot for all the help. The Hunters and friends made over \$1000.00

Thanks again, Russ Arndt

Lindsey Gledhill of Galion, Ohio, a recent High School Graduate, is recognized by the Mansfield Shrine Club for her exceptional efforts in helping with the Miracle Mile Chili/Wings Cook off and Blues Fest. Lindsey, the granddaughter of an Aladdin Shriner put in many hours for the successful event that raised \$3000 for our Hospital Transportation Fund.

Shriners Hospitals for Children®

Erie Ambulatory Surgery Center and Outpatient Specialty Care

An Update for our Temple Affiliates

July 2016

Former Patient becomes a Certified Prosthetist and Orthotist

Amniotic Band Syndrome (ABS) is a rare condition characterized by amniotic fluid forming into bands, wrapping around a baby's extremities and cutting off circulation. In Malachi Knauff's case, the ABS was so severe that his left arm below the elbow was amputated in utero. Fortunately, following his birth, he was referred to Shriners Hospitals for Children—Erie.

Baseball and Beyond

Knauff visited Shriners Hospitals for Children – Erie on a regular basis, receiving treatment from the physicians, rehabilitation from the occupational therapists and overall support from the nurses and other staff members.

By the time he was 5 years old, Knauff dreamed of playing baseball through high school. Knauff fondly remembers learning how to swing a bat by using the state-of-the-art equipment provided by the Erie Medical Center. He also learned how to shoot a basketball and, eventually, to drive.

Inspiring Others

Throughout his 18 years of treatment, Knauff was fitted for custom-designed prosthetics by the skilled, professional staff. When it was time to decide about his future, Knauff chose to become a certified prosthetist and orthotist (CPO). He spends his days designing and fitting devices for people with missing limbs or with other medical limitations. He creates artificial limbs, braces and other medical and surgical products.

"Coming to Shriners Hospitals for Children through my childhood inspired me to give back by becoming a CPO," Knauff said. "It allows me to help others as others helped me through a difficult time in my life."

Now married and living in Colorado, Knauff has come a long way and credits much of his success to the physicians, nurses, therapists and staff at Shriners Hospitals for Children—Erie.

Eagle Shrine Club

By John E. Haught

We have set up a summer social event for Wednesday, August 10th, and all members and their guest are cordially invited to attend. Thanks to Noble Emil Arvidson, we will have a mid-day cruise on the Nautica Queen with a full buffet lunch. The cruise will last for about 2 and one half hours and departs at 12 noon. We must secure our reservations by July 13th and your check for \$30.00 dollars per person sent to our Treasurer, PP Ken Weidig at 5808 Hopkins Road, Mentor, Ohio 44060 will guarantee your passage on the cruise. We must send a payment well in advance to the cruise date and we cannot guarantee a full refund on your payment if you are not able to attend. We do encourage that you send in your reservations as early as possible to secure your passage.

Many of our members remember the good times we had last year when we dined at the Texas Road House at 6095 Commerce Circle in Willoughby near the intersection of Interstate 90 and State Route 91. Thanks to Noble Ed Dietz, we will be able to repeat the experience on Wednesday, July 20th from 4PM to 8PM at the same location. Working with the management, he has secured an agreement that 10% of your dinner cost will be donated to our hospitals. Many of our attendees last year brought along friends and neighbors and not only did we enjoy great food and good friends; we were making a worthwhile gift to help our children. Ed reminds us that a coupon is required to be presented at the time of payment. These coupons are available by contacting Ed Dietz at 358-0456 or Norm Melchreit at 951-7254 or any Eagle member. No reservations are needed, but arrangements can be made for you to obtain a coupon prior to the date of the event. We hope to see all of you there.

SHRINERS HOSPITALS FOR CHILDREN – CINCINNATI

June 6 - 10, 2016

Cincinnati Shriners Hospital Celebrates the 27th Year of Camp Ytiliba

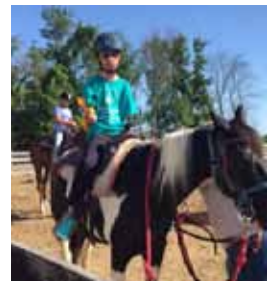

This year **Camp YTILIBA** was held at Camp Ernst in Burlington, Kentucky. 49 patients attended camp between the ages of 9 and 16. There were no costs for the campers. Camp expenses were covered through charitable donations.

The camp gives patients a chance to be around kids just like them, make new friends, share stories and create a connection with hospital staff unlike any other.

Established in 1989, Camp Ytiliba ("ability" spelled backward) is a week-long program designed for Cincinnati patients to experience summer camp. Camp Ytiliba provides activities such as fishing, horseback riding, high ropes,

swimming, lake sports and games and crafts to help the kids accept new challenges and make new friends while building confidence and self-esteem – all in a safe environment.

This year at Camp Ytiliba, there were 20 staff counselors. "Each year our employees volunteer their time to work the camp," said Mark Shugarman, Hospital Administrator at Cincinnati Shriners Hospital. "It allows our young patients and our employees to share a week together outside of needles, bandages and treatments. And they don't worry about their burn injuries. They don't worry about their appearance. They get to hang out with other kids who've been through the same thing."

Mystery Bus Trip... could have been there!

Participants, though few in number, expressed real pleasure in the trip and said they looked forward to another such venture. Including our stop for lunch, we visited a cheese manufacturing facility, a metal stamping shop, Troyers Market, Das Dutchman for lunch, Brietenbach winery and the famous Kidron Hardware store on our way home. The trip began at Al Koran with donuts, bagels, coffee and some of that breakfast variety Camels Milk. With only the bus driver knowing our destinations we were off. **Don't miss the next one....**
