## From the Potentate

I wish to thank all those that attended the Installation of Officer on January 7th. The fellowship and food was very good. I want to thank Ill, Sir Jack Conner, Ill Sir Richard Metzler and Ill Sir Alan York for serving as our Installation Team. Members of the elected Divan as well as members of the Appointed Divan received their installation charges. The Officers of the Hunter's Unit were also installed.

I wish to thank the Potentate Elect of Tadmor Dillon Hickman, his Lady and the other members of Tadmor Shriners that attended our Installation. Our Divan along with Ill Sir Jack Conner, Lady Marge and our Recorder's "better-half" Peg Berteau represented Al Koran at Tadmor's Installation on the 14th.

If I want to leave at the end of this year with Al Koran in a better position for the future I need your help and we must address the following areas.

- 1) Membership ... please try to "replace" yourself and bring in at least one new member;
- 2) With the uncertainty of the Landlord/Tenant relationship we need to move forward to find a future home;
- 3) We need to develop a new source of Temple funding beyond dues and onion sales;
- 4) Revamping our Hospital Transportation network of drivers and vans must be a priority.

If I can turn the gavel over to our Chief Rabban with these concerns behind us ... or being solved... we will have had a "helluva" year. I can't do it without you.

Check our Calendar of events and please support our Clubs and Units.

Yours in Faith,

Roger Neff

# What's New in Erie!

## ***Erie Medical Center Celebrates 90 Years***

In 2017, Shriners Hospitals for Children – Erie will celebrate 90 years of caring for kids. Indeed, one only has to look at the Erie medical center's rich past to understand why its staff and patients are looking forward to an exciting future.

### **Where It Began**

“Sunshine Valley Camp” is where the Shriners Hospitals for Children — Erie story begins. In the summer of 1924, a cottage was built to treat 12 children to a summer of sunshine, good food and physical therapy. The evolution from a summer cottage for 12 to a state-of-the-art, pediatric orthopaedic healthcare facility, complete with surgical services and a residency program, has spanned a period of 90 years. Those years of birth, growth and change began with a suggestion from a young Erie woman, Elizabeth Milne, which was acted on by local Shriners in the same spirit that prevails among them today.

Dinner Time in the Wards.

According to Shriners, the success of that first summer greatly enthused the Nobility of Zem Zem Temple and at a Ceremonial held October 30, 1924, Noble Isador Sobel introduced a resolution to “build and maintain a convalescent home for crippled children.” After the Temple unanimously adopted the resolution, construction began in October 1925 under the Potentate of Zem Zem Temple, Emil E. Knobloch. A completed Zem Zem Hospital for Crippled Children was dedicated on June 26, 1927. The original hospital had 48 beds and treated children from nine counties in northwestern Pennsylvania. “Those first years saw cases of polio, tuberculosis and hip dislocation,” says Administrator Mary Jane Antoon. “The hospital was especially busy during the early 1950s with as many as 60 polio patients being cared for at one time.”

*See next page*

As the incidence of polio and tuberculosis decreased, the focus of the hospital's treatment program broadened and shifted to meet the needs of other children in the area. To this end, in 1967, the Zem Zem Hospital joined the national network of Shriners Hospitals for Children.

### New Era

As medical treatment protocols and the needs of its patients changed, the leadership at Shriners Hospitals for Children – Erie made the decision to transition the facility from an inpatient hospital to a multi-faceted ambulatory medical center.

On April 24, 2012, while remaining part of the Shriners Hospitals for Children system, the facility be-

came known as the Erie Ambulatory Surgery Center and Outpatient Specialty Care Center. "The Erie medical center is the first facility in the Shriners Hospitals for Children system to undergo this transformation and is serving as a model for other Shriners hospitals that will be making this same transition in the next few years," Antoon explains.

Shriners Hospitals for Children – Erie Ambulatory Surgery Center and Out-patient Specialty Care Center continues to provide the best pediatric orthopaedic/neuromuscular medical care available. Currently, the medical center serves thousands of children from six states (New York, Pennsylvania, West Virginia, Ohio, Maryland and Michigan) and the Province of Ontario with medical services delivered regardless of the family's ability to pay. Fourteen Shrine Temples are affiliated with and support Erie Shriners Medical Center.

Throughout its history, Shriners Hospitals for Children - Erie, has helped children with complex orthopaedic conditions defy the odds and lead healthy, prosperous lives. "The 'Sunshine Valley Camp' has come a long way," notes Antoon, "but the vision 'to transform children's lives by providing exceptional health care,' has not wavered.

## Mariner's Log – Bob Stanley, M.S.A.

Several Mariners were seen at the Greater Cleveland Boating Association Boat Show. When it is time for the boat show, you know that Spring and our boating season are right around the corner.

Sunshine Chairman Emil Arvidson has informed me that as of this writing (January 5) that sick bay is empty. Keep up the good health!

There will be no Mariners meeting in February. Instead the Mariners will be doing some ice fishing on Lake Erie.

The February Al Koran meeting at our Shrine Center will be held on Monday, February 20. There will be a dinner prior to the meeting. Please call ahead to make your dinner reservations.

For information regarding meetings, membership or activities of the Al Koran Mariners Yacht Club, please contact Commodore Ronn Murphy at 216-702-6785.

The Mariners wish everyone in Al Koran Shrine a Happy Valentine's Day.

## ***The Blossom That Duped Hitler***

By Harry M. Oser

There is a blossom that is truly aptly named... and what is it called? It is the "Forget-Me-Not". This has a most meaningful connotation for we members of the Nobility through our Masonic ties.

The Forget-Me-Not was adopted by the Grand Lodge of Germany as a symbol of identification in commemoration of the historic efforts of the Masonic Order in the infamous year of 1936.

In 1936 Hitler dissolved all the Blue Lodges throughout Germany, confiscating the [property of the members and the lodges, placing thousands in the concentration camps... most of whom were sent to Buchenwald and Orienburg. To wear a blue Lodge emblem was to sign your own death warrant.

The Grand Master of Germany suggested to the Three and a half Million Members of the Masonic Lodges that a means of identity be found other than the usual emblem. His suggestion was to use the inconspicuous appearing flower of the Forget-Me-Not plant. This then became the secret means of identification among the members. The blossom was so small that it went unnoticed and unreported to Hitler's Gestapo.

After Germany was liberated from the tyranny of Hitler, Blue Lodges blossomed almost overnight with unprecedented rate of growth in membership. Each member of the Masonic Order in Germany wears proudly a small Forget-Me-Not button. This is to him a constant reminder that they are free. More importantly, it tells the to forget-them-not...those that died because they were members of their Masonic Lodges.

Hundreds of Masons were shot after the abortive uprising in July of 1944 when Count von Stauffenberg, with a handful of courageous high officers of the German Wehrmacht attempted to kill Hitler ... and failed.

The reason given for the senseless murder of those shot in the courtyards of the Ploezensee Prison was a trumped up charge that they were a part of the conspiracy of the officers in revolt to overthrow the Nazis.

Any noble visiting Germany today should be on the look-out for this tiny Forget-Me-Not button in the lapel of the men. It will signify to you the presence of a fellow traveler. To those who visit a blue Lodge while in Germany will be given a Forget-Me-Not button. This is to remind us of the liberty and freedom we enjoy and so many take for granted... to guard these things and if necessary, to defend them. And, we too must Forget-Me-Not.

## Hunters

Since past activities and thanks have been over looked we would like to update these events.

In October the Hunters were asked to furnish and prepare the lunch for the Ceremonial, which was held on the 3rd of December. And as usual help was needed to cook, serve and of course clean up. We have to recognize, two in particular. First thank you goes to Shaun Laurent. He spent the whole time on the grill getting lunch ready. Shaun, as of right now is not even a Hunter. The other, Thom Sabados, that puts his hands in and gets things done. Most people have no idea how much Thom does, not only for Al Koran, but for the clubs, units, and the ladies. He really runs the operation of the building. So a big thank you to both Shaun Laurent and Thom Sabados.

As most know the Kids Christmas Party was held on the 10th of December and as usual the Hunters were ask to furnish, cook, and serve the food. Thanks to all that helped. The Instillation of Officers was held in January and all the Officers were held over except for the Secretary which was taken by Michael

Davison as Interim. This is by request of Chief John Deliman, because of personal reasons he could not preside last year. There was no meeting in January because of the Installation. Our next meeting will be February 14th. Let's get behind Al Koran and the Clubs and Units that you belong to and give them your support. Most of the members have backed off, but this is still our home and we still have the kids and hospitals. SHRINERS HAVING FUN HELPING KIDS.

Ill Sir Tom Klecan presents a donation to the Children's Transportation Fund on behalf of the Krazy Kops

Ill Sir Jack Conner makes his "monthly" donation to the Children's Transportation Fund.

Jim Dettmer, representing the Mariners donates to the Transportation Fund.

## ***From the Recorder***

Greetings Nobles,

January has made its escape and into the history books with the Inauguration of a new President of the United States. Winter has not been too terrible but February and March may be a different story. Nobles, Lodge inspections around our jurisdiction have stated and if you have not attended your Lodge in recent years please make a visit. Al Koran has started another interesting year with many planned activities for you and your families please watch the future issues of our magazine for details and plan to attend.

Nobles, the 2017 dues statements have been mailed from Tampa and if you have not received yours please give me a call in the office, I have been informed several have NOT received a dues statement if you are one please give me a call in the office and I will mail you one if needed, I will do my best to get them to you quickly. There are still 275 who have not paid 2017 dues. You do not need your statement to pay your dues, they remain at \$137.00, you can send them to my attention in the office, please include your member number on check. The 2017 dues card stickers are also being sent from Tampa and should be arriving to those who have paid their dues shortly, if you do not have a plastic card call me in the office and I can order a replacement. Al Koran does not have these cards; both these items were provided by Imperial to help all Shrine Centers save postage costs. There are 195 Shrine Centers in USA and over 300,000 members so it is a great effort to make sure the statements, cards and stickers are sent correctly and they rely on the Recorders to provide correct information. I have received several back via return mail which was sent to the address on file, if you have moved or are a snowbird, please inform me of your new address and also address of your winter months so communications are not lost, thank you in advance for complying.

As 2016 concludes the annual reports were filed and some interesting facts about Al Koran. We started the 2016 year with 1181 regular members and 4 associate members for total of 1185 members. During 2016 we created 22, restored 9, affiliated 1 and made 1 associate member for total of 33, however we lost 71 to suspension (NPD or pre-req. body suspension), and 53 to death for total of 124 and a NET LOSS of 91, our membership as of December 31, 2016 was 1086 regular and 4 associate for total of 1190. Thanks to the hard work of our membership committee. Nobles please do your part to remain a member of Al Koran, if you are experiencing hardships please call the office and we will provide suggestions for dues payments, also be on the lookout for new members, petitions will be available on line. Requirements remain must be Master Mason in good standing.

Please MAKE THE EFFORT to attend one meeting or event during 2017, you will be surprised of the changes, the officers have pledged to improve our meetings and events so come out and be part of the exciting 2017 Shrine year. Please call the office for all reservations. I look forward to working with all of you and the continuing challenges of this office.

Fraternally,

Robert D. Berteau

Dinner is at 6:15 PM and offers two main course selections as well as a vegetarian selection all superbly prepared by the Cleveland Yachting Club.
