## From the Potentate

Thomas Klecan

My fellow Nobles,

Well, it is starting to get interesting. I would like to thank the members of the Divan and their Ladies who attended SHC-Erie, on February 21st, as Al Koran was the featured Temple for the month. Congratulations to the Crooked River Hillbilly Clan for a great Chili cook-off. If you weren't there, you were probably talked about, and you missed some great chilis.

Once again, we will be selling onions, they usually arrive the first week of May, so now is the time to get your onion chairman in place. We would really refer to only deal with one person from each of the Clubs and Units. For you Noble who would like to order onion, please do so through a Club or Unit. Our onion sales have increased over the last few years and this is still a worthwhile endeavor and fundraiser.

As I had indicated earlier in the year, I have arranged with Tad Mor's Potentate, Illustrious Sir David Gomes, to combine a few events with Al Koran. One of them will be the Family Picnic. We will be utilizing their facility for their event which is scheduled for June 10. The Family Picnic at Al Koran has always been a well-attended event and combining with Tad Mor Shriners will only enhance the event. I hope I can count on your support. I will be asking for more assistance as the event nears.

I encourage all Clubs and Units to continue with their successful events. I wish I could attend them all, however, I still haven't figured out how to be in two places at the same time, and I believe there was a significant movement started not to allow me to clone myself. (Probably a good thing). I also encourage the Clubs and Units to try some new things and invite new people to attend them. We have had success in attracting new members by inviting them to our events.

Finally, you should be receiving your Sportsman's Raffle ticket shortly. This will be Al Koran's primary fund raiser for 2018. The Divan and I need your assistance to make this a success. So please help out.

### For those of you that submit materials for the monthly newsletter

- **the Al Koran News:** It is important that I receive your letters, ads and photos in a timely manner, so that I can assemble the newsletter with enough time for artwork, layout, printing & mailing. I have a deadline of the "2nd Wednesday" each month to allow this schedule. *Thank You, Roger Neff P.P., Editor & Publisher*

We would appreciate continued donations of aluminum cans and copper. We remain grateful for Nobles and others who bring cans and copper to the Shrine Center. All these efforts help the Children's Transportation Fund and or mission to get our kids to our hospitals for the care they need.

Al Koran also needs Drivers to transport our Children to our hospitals. If you would consider volunteering as a Driver please contact Mike Davison at (440) 546-9866. Share the experience with your wife or a friend ... they won't be the same for the experience of being to one of our Hospitals. Drivers are not required to belong to the Transportation Unit.... but you would be welcome.

## ***Hunters***

New Chief Terry Hamilton hit the ground running in February and the talk of a number of events across a wide spectrum was exciting. Current Members - curious Shriners and especially the new Nobles are welcome to visit the club to learn about some field trips. Plans are moving forward for field trips including fishing charters, The Salmon Derby, bird hunting behind dogs, range pistol shooting and even a trip to the FBI gun vault here in Cleveland.

Hunters are going to raffle off a limited edition Shriners Commemorative Henry Rifle - engraved just for Shriners. The drawing will be at our annual spaghetti dinner and "turkey shoot".

Join us in the Fez Room by 7:30 on March 13th ... lets get excited about a good year of outdoor activities...

# What's New in Erie!

## **Shriners Hospitals for Children — Erie hosts Groundbreaking Ceremony**

Shriners Hospitals for Children — Erie recently hosted a groundbreaking ceremony to launch construction on space for a new state-of-the-art EOS Imaging system. The first of it's kind in the region, EOS Imaging System will be operational by spring. The Erie Shriners Medical Center raised \$1.4 million to secure the system. Tim Hofius, P.P., Zem Zem Shriners and Lady Anne also presented a check for \$104,000, which was proceeds from the First Lady Project, to be applied to the system.

EOS Imaging allows clinicians to provide patients with the most accurate diagnoses, while also limiting their exposure to harmful radiation. EOS provides a picture of the full skeleton to show natural, weight-bearing posture (either sitting or standing) and allows clinicians to see the interaction between joints, muscles and bones. The head-to-toe image is detailed and higher quality than conventional x-rays and EOS uses up to 90% less radiation than a conventional x-ray and around 35-50% less than a digital radiography x-ray.

Anne Hofius, First Lady of Zem Zem Shriners is acknowledged and congratulated by SHC-Erie Administrator Mary Jane Antoon. Looking on at the “wall breaking” ceremony (L to R) is Tim Hofius 2017 Potentate of Zem Zem, Board Chairman Jim McKinney, Radiology Manager Lori Rudert, Board Secretary Tom Kish P.P. of Tadmor, Board Treasurer Roger Neff P.P. of Al Koran, and the current Potentate of Tadmor David Gomes. Lincoln - in the hard hat is a patient and he helped with the wall breaking.

EOS Imaging is especially valuable for many of the patient populations treated at the Erie Shriners Medical Center. It is ideally suited for pediatric patients who have conditions that require multiple x-rays, such as patients with scoliosis. Scoliosis patients may receive 3-4 x-rays each year to monitor their spinal curve. The cumulative reduction in radiation is especially important to them, as well as patients with limb deficiencies, hip dysplasia and cerebral palsy who have many x-rays taken throughout their course of treatment.

## **New Treatment for Scoliosis Available at the Erie Shriners Medical Center**

Shriners Hospitals for Children — Erie recently announced a new treatment offering for patients with scoliosis. The Scoliosis Specific Exercise program (SSE) is led by Brittany Ziegler, PT, DPT. The program is primarily used to treat patients with adolescent idiopathic scoliosis and offers exercises tailored to each patient's spine curvature with the goal to return the curved spine to a more natural position.

## From the Recorder

Greetings Nobles,

As of this writing we are enjoying some warmer temperatures, still cold but warmer than a few weeks ago. We are also enjoying the Olympics on TV and hopefully cheering on the USA, since I am a big hockey fan have son and grandson play I will be watching this week. Peg and I are laying low for a while due to her bi-lateral knee replacement on January 22, surgery was very successful and she is in therapy every other day, she is not happy about that but she will thank those involved when it is over. Thanks to all you Nobles who remembered her with cards and calls it really made her cheerful.

Al Koran has been planning activities for you to enjoy, first is the annual Hillbilly chili cook-off on March 4, see flyer in this magazine for all details. The Sportsman raffle will again be held at Lake County Fairgrounds on September 22, please come out and support this fundraising event for our Transportation fund. All Noble will be receiving tickets to sell or buy so please consider this worthwhile event and come out for a day of food, fun and fellowship. The yearly Ohio Shrine Association meeting will be held at the Kalahari Resort in Sandusky April 27 and 28, since it is close to us please try to attend, call the office for details and reservation. We will again have our ceremonial in the fall with a date to be announced, please come out and support the degree cast and those new members, petitions are always welcomed during the year. Speaking of petitions your Divan and BOD have voted to extend the 2018 petition fees to \$50 thru December 31, so seek out those who would make a good Shriner and invite him to an event and then get his petition, merit jewel points awarded for signers.

Nobles dues are still coming in but slowly, if you have not paid your 2018 dues please DO IT NOW, Tampa will be sending our reminder notices and you may have already received yours, if you are unable to pay your dues please give me a call in the office and we can make some arrangement so we don't lose you as a member. We did suspend 33 from membership on December 31 and if you were suspended restoration is simple but you need to call the office for information, if you know of someone who was suspended please speak to them about restoration.

Nobles, we did create 39 new Nobles during 2017 and my thanks to the membership committee and all those Nobles who brought in a petition or two, Al Koran has been awarded the Silver award for 2017 meaning our total loss was lower than 2%. We created 7 more new Nobles at our January meeting so welcome to those new members; please join a club or unit to further enjoy your Shrine membership.

In closing I would ask all to come out to a monthly meeting during 2018, MAKE THE EFFORT TO BE PART OF THE SOLUTION FOR THE FUTURE OF AL KORAN.

Fraternally,

## **Mariner's Log** – Bob Stanley, M.S.A.

With the arrival of March, the days are getting longer; the song birds are returning to Cleveland; and the daffodils and crocus are emerging from the ground. It is also time for the Al Koran Annual Onion Sale. So get out there and start taking orders from your family, friends, neighbors or any other person you may happen to see. Commodore Ronn is looking to have a banner year for onion sales. His goal is for the Mariners to once again be Al Koran's #1 onion selling group for 2018.

Congratulations goes out to Noble Tony Durieux, who has been installed as President of the International Order of Blue Gavel (IOBG). Tony is from our sister Shrine Center Aladdin in Columbus. The IOBG is a Mariner organization that is comprised of 2,055 Past Commodores from around the world. Al Koran Mariners IOBG Chapter is part of District #7 comprising of yacht clubs from Ohio and Michigan. Tony joins Al Koran Mariners Lou Key and Harvey Sussel who served as President of this International Past Commodore Association. Good Luck Tony.

As of this writing, Ground Hog Day, Sunshine Chairman Emil Arvidson has informed me that sick bay is empty and all is healthy. Hang in there. Spring is right around the corner.

The Mariners March meeting will be held on Thursday, March 8, at the Edgewater Yacht Club. We usually meet at 1800 hours for chow and grog with our meeting being rapped to order at 1930 hours.

The March meeting of Al Koran Shrine will be held on Monday, March 19, at our Shrine Center at 1900 hours. There will be a dinner at 1800 hours prior to the meeting. As always, reservations are requested.

The mystery question of the month is as follows: What famous entertainer was a hydroplane speedboat racing champion? This person not only won the Gold Cup, the Silver Cup, and the President's Cup but for four straight years he was the U. S. National Champion. The surprising answer will be in the April Al Koran Shriners News.

For information concerning membership or activities of the Al Koran Mariners Yacht Club, please contact Commodore Ronn Murphy at 216-702-6785.

To all the Al Koran Shriners and their ladies, the Mariners and our ladies wish you a Happy St. Patrick's Day.

God's Speed

## **Merit Jewel Program**

The Board of Directors "Divan" made several recommendations to the Merit Jewel Committee to change some of the events or activities of the program that are awarded Merit Jewel points.

The Merit Jewel Committee convened to address these recommendations and agreed to make the following changes which will take place, effective January 1, 2018.

1. All parades that are approved by the Potentate and that represent Al Koran Shrine will receive 25 points per participant.
2. Cancel Baldwin Wallace and Carnival Daddy tickets and replace with Sportsmen's Raffle tickets -1 (one) point for each dollar sold.
3. It is the responsibility of the individual or the group leader to report the activity to the office or to Jack Conner in order for points to be awarded.

As an example, we have always had a problem getting information on onion sales.

## ***Can We Reduce the Dues?***

Over the recent years I have been approached on several occasions and asked, “why are our dues so high?” Our dues are what they are for several reasons. Let’s start with the out total \$137.00. From that \$5.00 goes to the hospitals. \$132.00 left.

From there another \$30 goes to per capita. I can tell you from my experience and my travels, that when Imperial raised the per capita several years ago, most Shrine Centers passed that additional cost on to their members, raising their dues another \$15.00, and in some cases even more. . We did not. The sale of our building was taking place at roughly the same time, and it was the intent of the Divan to lower dues a few dollars. At that time, we had about 1100 members so our payment for per capita went from \$16,500.00 to \$33,000.00. So, unfortunately, we absorbed that increase and did not pass it on to you, and in doing so we were unable to lower dues. That leaves Al Koran with \$102.00. Which for many of you may be the highest dues you pay. With our membership hovering at about one thousand members, this \$102.00 provides Al Koran with approximately \$100,000.00. This is Al Koran’s largest source of income. The vast majority of fund raising we do is for our transportation fund and for the Hospitals, monies Al Koran cannot utilize for business and fraternal operations. So let’s cut costs, right? I can personally assure you that, not only this Divan, but every Divan for close to the last 10 years has been doing so. Nobles, what I take from your question on dues is that you have also noticed that the price of goods and services is going up, in most cases faster than our incomes. Al Koran is in that same economic boat. In the early 2000’s deficit spending on the part of Al Koran was in the neighborhood of \$75,000.00 to \$100,000.00 per year. The leadership of Al Koran worked hard to bring that number down, but until recently we were still deficit spending approximately \$5,000.00 to \$20,000.00, and we were cutting everything we could to contain costs.

We have been without the ownership of our building for about three years, and 2016 was the first time we actually were in the black. But not by much. It looks like 2017 will be about the same. We will be a few dollars ahead. The money we made on the building has been placed in low risk investments portfolio, and has made nice gains, However, that is our future, and we do not want to dip into those funds.

So what I am trying to communicate here is that, while we are living within our means (barely), we are not in a position to lower our dues, and in fact, are working diligently to keep them from increasing. So while I don’t see any way to lower our dues I am also somewhat confident in saying that I do not see an increase in the near future. We started the Sportsman’s Raffle in an effort to find another funding source for Al Koran. If anything will keep us from having to increase dues in the foreseeable future a successful Sportsman’s Raffle is our best bet. If you do not want to see dues increases, please participate in selling tickets. The ticket you sell has a direct effect on your dues.
