## From the Potentate

Mark Bollinger

Greetings once again!

Summer has rapidly drawn to a close and we will soon be enjoying all the beautiful colors of Autumn. We have a lot of big activities coming up in the final four months of the year and I hope that you will join us, but first, let's recap a little.

We had a great family picnic in August at Travellers Woods under the direction of Noble Dave Stelmach and his wife, Kay. I know they had help from several other Nobles and their ladies, but they were the driving force. It was a gorgeous day and I'm

sure the children enjoyed the pinatas (especially the candy contents!) and some clowns and face-painting by the ladies of the LOS, as we all enjoyed great food and fellowship.

We're winding down on the parade schedule, but we aren't slowing down. We have the rescheduled Al Koran golf outing on Sept. 20; the Mansfield Children's picnic on Sept. 26; the BW football game on September 28; the Night at the Races benefiting our Hospitals on Nov. 8; the annual turkey shoot on Nov. 15; our Al Koran Recognition night on Dec. 6; and our kids Christmas party on Dec. 14. Come out to something! I'm certain you will have a great time.

Our Business Meeting will be held at the Berea Masonic Center on Monday, Sept. 16 with dinner at 6pm (\$15) and a ladies program during our meeting. Speaking of the Berea Masonic Center, our search committee has recommended that we move into the Berea Masonic Center. Even though we are still looking at other options, we are moving forward with making all the required steps towards moving there. Come to our meetings and let your voice be heard!

We've had many new Nobles join Al Koran over the last year or so and I encourage you to look at our clubs and units to see which are the most interesting to you. We talked about most of them at the Ceremonial and I think you will find that joining one or more of these groups will be highly rewarding! You can't beat the fellowship and friendships gained within them!

One last thing, we need drivers who are willing to take our kids to their hospital appointments. This is a great opportunity for a Noble and lady to go together and help out. Yes, ladies are welcome and encouraged to accompany their Nobles on these trips. Please contact Mike Davison if you are willing to be added to the list!

See you soon!

Shriners - having fun and changing lives!

## **Mariners Log** by Bob Stanley, M.S.A.

Congratulations goes out to our Recorder Robert Berteau and Nobles Thomas Couch and Gregory Kita, who received their well earned 33° this past August in Milwaukee, Wisconsin.

This scribe has just received word that our Commodore Ronn Murphy's father Henry Murphy passed away on Sunday, July 28. Our thoughts and prayers go out to Ronn and his family.

The 2019 Imperial Session is now history. Our Commodore and Chief Rabban Ronn Murphy represented the Al Koran Marines Yacht Club at the IASYC Change of Watch. During the Imperial Session, the new International Commodore Bill Davis, who is from Rizpah Shrines, was installed as IASYC 2019-2020 International Commodore.

The mystery question of the month is as follows: What famous Mason

started a religious movement which still exists today?

We cannot tell you about the BBQ/Potluck Caribbean Beach Party in this issue because it happened after the deadline of the Al Koran Shriners News.

The September Al Koran business meeting will be held at Quarry Lodge, 366 Eastland Road, Berea, Ohio. It will be on Monday, September 16, at 1900 hours. A dinner by reservation will be at 1800 hours. This is the Lodge Hall that our June Ceremonial was held. It is quite a facility with a large lodge room, large social hall and an elevator for those who desire to use one. Hope to see you there.

There still is time to make plans for our Pine Lake Trout Club Rendezvous. Past Commodore Jack Hattendorf has made arrangements to have our Mariner's meeting on

Thursday, September 19, at the Pine Lake Trout Club. Come early, fish and dine with your Mariner brothers and ladies.

There is one more parade for the 2019 season. This is the granddaddy of all Ohio parades. It is the Annual Grape Festival Parade in Geneva, Ohio, on Sunday, September 29. If you like parades, grapes, crafts, wine or wine burgers, you don't want to miss this one. It only happens once a year when Geneva is captivated with the wonderful aroma of grapes during this time of the harvest season.

If you have any questions regarding Mariners activities or membership, contact Commodore Ronn Murphy at 216-702-6785.

Plan to enjoy the last of the lazy, hazy, crazy days of Summer.

God's Speed

## From the Recorder

Greetings Nobles;

Greetings Nobles, summer has flown by and we are now preparing for fall and some outstanding colors appearing, making our landscape more beautiful and making us realize this could only happen thru the Great Creator, get out and enjoy the season. Fall is another time to prepare for winter and that dreaded word SNOW, make sure those snow throwers are working and you have enough melting salt, prepare your auto for those winter months with oil change, battery checks, wiper and fluid checks, you will be glad you did.

Peg and I have just returned from the Scottish Rite Supreme Council Session in Milwaukee, Wisconsin where Noble Greg Kita (Cleveland), Noble Thomas Couche (Youngstown) and I received the 33rd Degree, what an awesome ceremony. There were Nobles from other Shrine centers who also received this high honor and my congratulations to all of them. Congratulations also to Nobles Robert D. Anderson and Scott Bratton who were elected and installed as Most Wise Master Aerial Chapter Rose Croix and Commander in Chief of Lake Erie Consistory, let's all

attend a function of Scottish Rite to congratulate these two hard working Nobles. Noble Greg Kita just finished as Most Wise and he is deserving of our congratulations as well, he has worked hard in the Valley of Cleveland.

Nobles, you should have received your 2020 dues notice via e-mail in early August and a hard copy was sent sometime mid to end of August, if you have NOT received it please let me know NOW so I can send one to you and verify your address is correct. When you receive your notice please make sure all information is correct, make any changes and then send payment with statement tear off to the office using the return envelope. The by-laws section 332.2 require all members to pay annually the amount set by the Temple which at Al Koran is \$137.00 which includes your per-capita amount to Imperial and your hospital assessment going to the hospital fund in Tampa, if you have not paid your 2019 dues your statement will reflect \$274.00 total due. The dues amount MUST be paid before January 1 of each year; those who are in arrears for 2019 WILL BE SUSPENDED. You must keep your membership in your Blue Lodge in order to remain a

member of any Shrine; you must also be current with your Al Koran dues to be active in ANY club or unit.

Nobles, we all face hardships along the road of life and if you are facing those at this time and find yourself unable to pay dues please call us here at the office and speak to me, we can remit some portion of those dues and keep you in good standing, it only takes a phone call or note to my attention.

We have 52 Nobles who have not paid 2019 dues. Nobles please speak to me for a solution to getting you current. If you know a Noble who may be having difficulty in paying dues or may have passed away please give me a call so we can adjust their records. Nobles we have been busy here planning activities for all our members, some upcoming events are Night at Races on November 8, turkey shoot TBD and Potentates appreciation night in December. We need YOU to be part of them, please come out and support Al Koran Shrine and our special kids, MAKE THE EFFORT you will be glad you did.

### Meet Max!

Max is an amazing 7 year old patient at the Erie Shriners Medical Center where he receives speech therapy to improve his answering of questions, pragmatic skills (social skills, turn-taking, back and forth communication), and improving vocabulary and comprehension of concepts.

Max's mother, Annmarie, stated the following, "I've seen a decrease in his frustration now that he is able to communicate more of his thoughts and feelings. He is answering questions more too!" We are so excited for all the progress Max is making and cannot wait to see where he goes in life!

Speech language pathologists, often referred to as speech therapists, work to promote improved communication and feeding/swallowing. Our speech therapists target all aspects of childhood and adolescent communication including sound production, understanding of language, memory and cognitive components, as well as components of feeding.

### Meet Sarah!

When you think of ballet dancing, what do you see? Dancers on their toes, twirling, and leaping in the air. Now, can you imagine the impact of a dancer with a prosthetic leg? The powerful message full of emotions to make the impossible into endless possibilities..... Shriners Hospitals for Children can help make these dreams become a reality.

Sarah is a 7-year-old patient of SHC—Erie. She has been coming to the Erie Shriners Medical Center since she was just a few months old. Sarah was diagnosed with congenital absence of the left lower extremity with proximal femoral focal deficiency or PFFD at hip dis-articulation level, congenital scoliosis, sacral agenesis, tethered cord, and left solitary kidney. She follows with two orthopaedic specialists; Dr. Dede for her scoliosis and Dr. Olgun for her limb deficiency. In addition, Sarah follows with Dr. Schober in urology and utilizes the Peristeen program.

Sarah's mom, Jocelyn, describes this program as life changing for her to integrate at school. She also sees Alex Rodriguez-Betancourt with POPS for her prosthesis and frequent changes to accommodate her growing body. Sarah has been involved with several specialty clinics and each one has enriched her life according to Jocelyn.

Jocelyn has expressed their gratitude for all the wonderful services that Sarah has received here at SHC—Erie. She described she was once asked what their life would be like if they never came to SHC and she was really stopped in her tracks. Jocelyn thought about it and just could not imagine life without SHC. After all, the staff feel like family. The staff know Sarah and her family, and know what she needs and how she feels. Sarah would not be dancing without SHC and now participates with the Russian Ballet in the Nutcracker. The nurses and care management team at SHC—Erie recommended for Sarah to try ballet dancing. This has helped her to strengthen her upper body and back which has assisted in her scoliosis.

Sarah has been so touched by her interactions with all of the staff/providers in Erie that mom said she does not see herself as disabled. Jocelyn said they have strived to give Sarah a full and normal life and SHC—Erie is a part of that. Sarah now likes to help other children reach their maximal potential and experiences.
