Mariners Log

BOB STANLEY, MSA

On May 21, the Grand Architecture of the Universe called on Mariner and Past Commodore Louis Key to cross over the bar and sail his final voyage to the Port of Heaven. Louis was a Korean War Veteran, Past Worshipful Master, Educational Officer for Ohio's 25th Masonic District, and a Dad advisor for Demolay International. He was Past Commodore of Chagrin River Yacht Club and in 1998-1999 International President of the International Order of the Blue Gavel (I.O.B.G.), a worldwide organization of Past Commodores. Our thoughts and prayers go out to his first mate, Geri, and his two sons Mike and Jeff. He truly was a captain among sailors. Louis we will miss you.

Congratulations to the Shriners in Ashland and Richland, for the formation of Al Koran's newest club. The Mid-Ohio Shrine Club. The Al Koran Mariners Yacht Club wishes you good luck and good fortune to the Mid-Ohio Shrine Club.

Sunshine Chairman P/C John Baker has reported at this writing (June 6), that sick bay is empty and all is well. Don't forget to use your Sea & Ski or Coppertone, and stay healthy and enjoy this rest of the summer.

Come September, the Mariners will be joining the International Order of Blue Gavel (I.O.B.G.) in District #7 for their annual wine tour. On September 18, we will meet at the Holiday Inn in Madison, Ohio. We will then board the wine bus at 1200 hours with four stops at local wineries, enjoying an afternoon of food, entertainment, friendship, and of course, award winning wines. Our return to Holiday Inn will be around 1800 hours.

Now that summer has arrived, it is time for us to go boating on Lake Erie. This will be a welcome change from the pandemic of last summer. It will be great to be on our lake enjoying a day of sunshine, fresh air, and no face masks. For information pertaining to membership or activities of the Mariners, contact Commodore Ronn Murphy at 216-702-6785.

Have a safe 4th of July and Happy Birthday America!

From the Recorder

After last month's vote Al Koran and Tadmor are fully merged and will begin joint operations this month.

For those of you still reading this article the above statement is completely false. The passage of the resolution only allows both Shrine centers to begin to establish a dialog and begin to establish a plan of how the merger/consolidation will go. That plan, when finished, must then be approved by a super majority of the Nobility, properly notified, at a regular business meeting sometime in the future. Both Shrine Centers must approve the plan for it to be acted upon.

Nobles, this is uncharted territory. Imperial has no process for how to do this. I can also tell you that we are not the only Shrine Centers looking to do this, there are several others contemplating these actions. It has been brought to my attention that any merger/consolidation of Shrine Centers must have Imperials full blessing. They have a significant interest in this whole process. We are talking several years, before the necessary, investigations, planning, and paperwork will be approved by Tampa, and be allowed to appear on the "Call". At present we are still gathering data and planning.

This type of action will affect all the Nobility, all the Clubs and Units. Additionally, it will affect, at least, the transportation of our kids. The Hospitals themselves are in a pretty good position. They have all strived to accomplish what is necessary to keep their doors open and to see and treat our kids. I recently found out that the overall budget for our entire system was over \$1 billion. That's right billion with a "B". If that were the outright draw on our endowment we would be out of business in less than 10 years. Thankfully, the draw on the endowment is about 15-20 % of that, and dropping every year, the hospitals are becoming more self sustaining. Your donations are very important to our system.

When you get this, many of us will be at or have attended, Imperial Session. I received the "Call" last week, and Imperial is proposing a \$20 hike in per capita. This will further reduce our funds currently used for ourselves unless we also raise dues. I believe it will fail this year, but probably not next.

So if we are not moving to Akron soon, what are we doing with all that dues money? Well, frankly, this year we collected less than \$90,000.00 in dues, one of my recent articles explained that most of that is used to operate our business office. The "Building" fund is doing great, but with declining membership (we will be under 900 members well before the end of this year, probably by the end of the summer), we are going to need some of those funds to maintain the business office in the future.

There is a lot going on, the pandemic restrictions are easing, and will hopefully soon be gone completely. Many of the Clubs and Units have begun meeting again. Check the web site alkoranshriners.com for more information. I am trying to keep it updated and fresh. Think about returning to the business meetings in the fall, we hope to have all the information you need to be a participating and active Shriner. Also if you are a Club or Unit and have events please send them to me and I'll have them placed on the web site. You can always view a copy of the newsletter on the web site too.

You can reach me by e-mail at klecantom@hotmail.com or call the office **440-546-8966** and select #1 Recorder.

A Special Patient Story....from a Noble

Noble William C. Clark III, from Boardman, Ohio has only become a Shriner in the past year. Last month I received a letter from William and a copy of a book he has written. He wrote to me as Chairman of the Board of Governors for Shriners Hospital in Erie, PA. as well as a Past Potentate of Al Koran. His life's story, though a very young man, is none the less inspiring. I ask William if I could share some of his letter with readers of this newsletter and he agreed.

Dear Ill. Sir Roger Neff, Chairman

My name is William Clark and I like you am a Noble of the Order of the Shrine, I joined during the one day ceremony in the last half of 2020. On that most significant day I did not only become a Shriner but I fulfilled a promise I made more than two decades ago. You see, I have the muscle disability cerebral palsy. When I was born premature they told my father that it was unlikely that I would live. If I did, I would not be mobile. So I spent my earlier years in a wheel chair and after seventeen surgeries I still had very little use of my legs. My father in his normal fashion with his stonewall grit pressed on and with the help of one of my doctors found your hospital.

There after a series of tests the doctors told my father about a brand new surgery they were doing. One that if I went through with it there was a chance I could walk. The surgery was a rousing success and in no time I was running around. A feat me nor my family ever though possible...

So I write you this letter accompanied by my book to share what exactly your hospital and the Shriners International Organization means to me. Since that surgery I have tried to live my life to the fullest and to give others like me ... hope. Hope... that their disability does not define them.

In 2020 I became a first generation college graduate , began to drive and published the book I sent you today. I am a contributing author in a soon to be published college textbook. I say these things not out of hubris or false pride. I share these things with you because if it was for the work of your staff at the Hospital and the entire Shrine organization I could not have done any of it. I live a life, I fell in love and felt the ceaseless joy that with the adventure we call life ... because of the Shriners. On the special day I was given more than my legs... I was given a new life. That is why I am a Brother... that is why I am a Noble.

Sincerely,
William C. Clark III

I have written to and spoken with William. I have shared parts of the letter with people at Shriner Erie Medical center and now with you. Should you be interested in reading his "first" book I will let you "borrow" it.

Thank You William...

Yours in the Faith... Roger Neff P.P., Chairman, Board of Governors, Shriners Children - Erie
