Hospital recognized for excellent patient experience

Shriners Children's™ Ohio has been honored with the 2021 Guardian of Excellence Award from Press Ganey Associates LLC!

This award recognizes our commitment to the highest standards of patient experience, scoring in the 95th percentile of Press Ganey clients.

Award Criteria

Press Ganey reviewed our Medical Practice Survey, which is distributed to patients seen in our Outpatient Clinic, as the basis for the award.

SCO leadership reviews the survey data to continually raise the bar in taking care of the families we serve.

Shriners Children's Ohio is one of only four hospitals in the country dedicated to the treatment of pediatric burns and specializing in plastic and reconstructive surgery. Our physicians' experience and expertise in pediatric burn treatment, cleft lip and palate, complex wound and skin conditions, and plastic and reconstructive surgery makes Shriners Children's Ohio a first choice for care.
