## *Introducing Dennis Hewatt, our new Board of Governors Chairman*

Dennis Hewatt's commitment to Shriners Hospitals goes back generations, to his dad and grandfather who were also Shriners.

Dennis is a Past Potentate of the Yaarab Shrine in Atlanta, Georgia. After graduating from University of Georgia with a degree in risk management and insurance, Hewatt worked as a successful sales officer for Nationwide Insurance Company. He left in 2005 to own and operate several insurance agencies in Georgia and Florida.

Outside of work, Dennis is a dedicated noble in the Yaarab Shrine, helping lead several successful charity events benefiting Shriners hospitals.
