# A Message from our 2025 Potentate

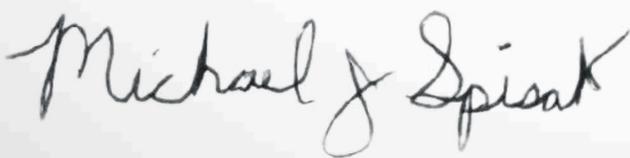

## Greetings Nobles!

My travels this past month included **Lakewood Shrine Club** on April 10th at J Bella's in Strongsville. As usual, fun was had by all. Then over the weekend of April 11-12 I travelled to Columbus for the **Ohio Shrine Association** meeting and Statewide Ceremonial. It was at the Ceremonial that I had the privilege and honor to Fez my son, Michael J. Spisak, Jr., as the newest Noble of Al Koran Shrine. Aladdin Shrine put on an excellent Ceremonial, and they were gracious hosts all weekend. For Nobles who have not seen the full Ceremonial, I highly recommend that you attend next year.

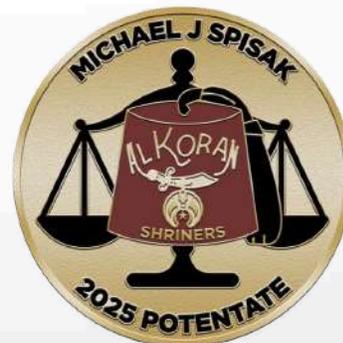

On April 17th , Chief Rabban Brandon Gould and I travelled to **Youngstown Shrine Club**, where we performed a "cold sands" and created John Seeger a Noble of Al Koran Shrine. There was a good turnout for this dinner meeting. As always, the food and the fellowship did not disappoint. For those Nobles who have not had a chance to see the beautiful facility we have in Youngstown, circle Sept. 6, 2025 on your calendar and attend their clam bake. It is one of the best events of the year!

On April 19th the Divan and I attended the **El Hasa Shrine (PHA)** Potentate's breakfast at their Temple on Union Ave. in Cleveland. There were PHA Shrine Nobles and ladies from all over the Country that attended the weekend long festivities. It was a lively time, the food was great, and they were very welcoming. We presented their Potentate, Dwight Gales, with a check from Al Koran Shrine to assist with his designated charity.

In the coming weeks I plan to continue to visit the clubs and units and to march with the Hunters at the Chardon parade on April 27th. **Please keep in mind that the Potentate's Ball is fast approaching on May 31st. Reservations and payment are due by May 12th.** Please attend, if possible, we would really like to sell the place out. If 50 people can have fun, 100 people can have twice as much fun! I'll see you on my travels!

**Michael J. Spisak, Sr.**

# Words from our Recorder

Now that winter is over, at least I hope it is over, let's do what Shriners are supposed to do.

## Have some Fun and Fellowship!

You can start by attending the May business meeting. The meeting will be open to all. I have checked with our caterer, and the May dinner will be hot dogs and hamburgers featuring our Vidalia onions. Chopped onion, grilled Onions, onion rings, onion soup and anything else we can think up. Check the website for more updates.

The website is a work in progress but things are really picking up. We hope to keep it as the main source of upcoming events as well as any other information you may need. We plan to do a total face lift to the website, giving it a new look and better perspective.

Newsletter news, I cannot stress how much you are missing if you have not accessed our electronic version of the newsletter. The paper copies I send out are a small fraction of what is included in the electronic version. It is really not that hard to access, and you will not come down with a computer virus from reading our newsletter on line. Ask a son or daughter or better yet a grandchild and they can help.

## How about a Steak night for the Business meeting in June?

You can reach me by e-mail at [klecantom@hotmail.com](mailto:klecantom@hotmail.com), [clevelandshriners@gmail.com](mailto:clevelandshriners@gmail.com), or call the office 440-546-9866 and select #1 Recorder.

#### Using *My FezCard Viewer* on iPhones (iOS 18.1.1)

In August 2024, an update was pushed to iPhone users to install the new iOS 18.0, which updated the operating system and apps installed on the iPhone. Many Nobles experienced issues where the *My FezCard Viewer* app would not load properly; the phone often displayed a “blank” or “white” screen instead of the usual digital membership card. With the release of iOS 18.0.1, the issue was resolved – with a specific caveat. Now, Nobles will need to rotate their phones to “landscape orientation” for the digital membership card to load. **And, with the release of iOS 18.1.1, an additional point was made, that the users should rotate their phones such that the line on the screen is at the TOP of the screen.** Doing so will force-load the digital card.

If you are an iPhone user, are using the latest iOS version and are still experiencing issues, please follow the instructions below.

- 1) **If you encounter a white, or “blank” screen, rotate the phone to position the line at the top of the screen.**

If this does not display the digital card”

- 1) Uninstall *My FezCard Viewer* from your phone, and reinstall it through the Apple Store (to ensure that you have the latest/most up-to-date version available).
- 2) Register, using your Shrine ID (not your Member Number), your Last Name and your Temple of *primary* membership (not Associate).
- 3) Click “Register.”
- 4) Rotate your phone, per above.

Should you continue to experience problems with *My FezCard Viewer*, please submit a support ticket for assistance, by visiting the “Support” tab in WebFez (Create New Incident), emailing [webfezfeedback@shrinenet.org](mailto:webfezfeedback@shrinenet.org) or calling our IS Support Help Desk at (844) 674-6266.

For Questions about using *My FezCard Viewer* or how to download your Membership card, please contact **Tom Klecan, Recorder.**

## A few things you may or may not have known about your Shrine Hospitals.

### *Here are some of the interesting facts about our hospital system.*

1. Shriners's first hospital(s) was (were) originally opened up to treat polio, and Shriners actually developed two polio vaccines.
2. Did you know that Shriners treats 15% of all pediatric spinal cord injuries in the United States?
3. Did you know that almost every burn surgeon now practicing in the US was trained at Shriners? In fact, most of the burn surgeons now practicing anywhere in the world were trained at Shriners.
4. Do you know why our advertisements indicate that we treat any child regardless of the family's ability to pay because if we said 'we would not take you to collection' it would be illegal to do so?
5. Did you know that when you call a Shrine Hospital for care, if we cannot provide the services you are looking for, we will direct you to a facility that will.
6. Do you know why has Shriners been transitioning from hospitals to ambulatory surgical centers and clinics? It is because inpatient pediatrics, actually most inpatient stuff, is all decreasing, what is increasing is outpatient care. This coupled with a decline in the pediatric population in the United States, is why. Where is the pediatric population growing, well generally everywhere else in the world.
7. Did you know that SHC looked into expanding our treatments focuses? They looked into other new fields of care such as autism and behavior health. But the research conducted indicated that taking on any of these would put us completely out of business within 10 years.

### **What could the proposed Medicare Medicaid mean for Shriners?**

It could decrease the amount of Pro Bono work being done by our partner facilities.

### **Our Vision for the future is:**

Providing the best care  
In the right places

For more kids  
For more value.

Mariners Log

By Bob Stanley M.S.A.

The Mariners would like to welcome our new Nobles into Al Koran Shrine. In the Oasis of Cleveland, you will find many units and clubs who have various backgrounds and experiences of which you may have an interest in. They are there for your participation. Welcome aboard!

By the time you read this article, the onions should be arriving in Cleveland. If you ordered any bags of onions, do not forget to pick them up.

Sunshine Chairman P.C. John Baker has informed me as of this writing, April 4, that sick bay is empty and all is well.

The May Business Meeting of Al Koran Shrine will be held on Monday, May 19. The location will be in the official call of the Potentate in the May Al Koran Magazine on page 2. When was the last time that you attended a Al Koran Business Meeting? Now that Daylight Savings Time and Spring Weather is here, this would be a good month to attend our Business Meeting. Remember, Al Koran Shrine is your SHIRNE.

The Mariners will once again march in the Greater Cleveland Boating Association Memorial Day Parade at the USS COD on Monday, May 26. This annual Memorial Day service not only honors the USS COD but also all veterans both past and present.

The Mariners May meeting will be held on Tuesday, May 27. The Port of Call will be the Mentor Harbor Yacht Club. Come out and enjoy the comradery, chow, and grog at 1800 hours. This Spring meeting will be rapped to order at 1900 hours.

## Daughters of the Nile celebrates \$3 million in Giving

For over 100 years, the Daughters of the Nile Foundation has been a vital partner in supporting Shriners Children's, contributing more than \$75 million across the healthcare system—making them the second-largest donor after the Shriners themselves. Shriners Children's Erie remains deeply grateful for their unwavering dedication and generosity.

Administrator Randy White honored Supreme Queen Jackie Holloway (pictured to the right wearing the crown) and President Joni Lerud-Heck (pictured to the right in the middle) during Shriners Children's Ohio's most recent Board of Governors meeting.

Jonathan Albert, Clinic Administrator of Shriners Children's Erie, presented a third gold plaque to Joni Lerud-Heck, President of the Daughters of the Nile Foundation, and Jackie Holloway, Supreme Queen of Daughters of the Nile.

## **Milli finds hope, plan for future at Shriners Children's Ohio**

Fifteen-year-old Milli isn't shy about showing her scars from a serious burn injury.

"It's part of my story," she said. "They don't define who I am, but they do show how strong I am and what I've been through."

Milli was using a table-top fire pit in July 2024 when her clothing and hair caught fire. She was rushed to Shriners Children's Ohio with burns to her arms, face, neck and chest. Initially she was worried about how she would look as she healed, but Milli said she eventually realized she wasn't going to be scared, instead she was going to embrace her looks.

"I think my scars are cool," she said. "I can't take back what happened, but I can still live my life the way I want to."

"Living her life" includes playing basketball, hanging out with her friends, and riding roller coasters. Milli credits her positive attitude to her care team.

"They were so kind and accepting," she explained. "They told me what I needed to do to get better and encouraged me to meet my goals." Milli was so inspired by physical therapist Jenni that she's considering becoming one herself.

"Jenni knew how much to push me on hard days," Milli said. "I want to give back and use my experience to help other burn survivors get their life back."

## **Patient Ambassador Morgan triumphs over adversity, Aims for Collegiate Softball Scholarship**

Shriners Children's Erie patient Morgan lost her right arm and leg in an accident at 2 years old, but that hasn't stopped her from pursuing a scholarship to play softball on the collegiate level.

The 16-year-old high school sophomore, who plays softball with a prosthetic leg, is preparing for the spring sports season to start heating up.

Morgan plays first base and bats for her high school, making her an important piece of the Eisenhower Lady Knights softball team. She also plays for a competitive travel softball team, something her mom said she never thought would be possible after her injuries.

"Sometimes I have to find different ways to do things than other players, but I always do," Morgan said. "You just have to think outside the box. I work hard to keep up with everyone and think of ways to modify my game. For example, I used to bat from the left-handed side of the plate, but I always got underneath the ball and hit a lazy pop-up or struck out. Last summer I decided to try hitting as a right-hander. In my travel softball season, I only had around six strikeouts in hundreds of at-bats. It's just one way I've learned to adapt over the years."

Morgan and her parents said Shriners Children's has been there for Morgan throughout her childhood. Shriners Children's helped Morgan learn to walk, and Morgan underwent multiple surgeries with the healthcare system while growing up, ensuring she could continue to play sports and grow in a healthy manner. Morgan has also received prosthetics from Shriners Children's throughout her life, fondly remembering the designs she was able to put on her various prosthetics.

"We couldn't have asked for better care at Shriners Children's," Morgan's mom Melody said. "They got Morgan up and walking in no time. If it wasn't for Shriners Children's, I really don't know where we would have gone after the accident. Shriners Children's always helped us find those different avenues for Morgan to play sports. They steered us to adaptive skiing and always encouraged Morgan to try new things."

Morgan said playing sports as an amputee can be very hard at times. However, she hopes she's setting an example all athletes can follow, about how to embrace and push through any challenges.

"It'll be a huge accomplishment for me if I'm able to play on the collegiate level," Morgan said. "I know I've already gotten some looks from college programs, and I'm working hard toward earning a scholarship to play softball."
